PROFESSIONAL SUMMARY

A motivated and technically capable IT professional currently pursuing a Diploma in Information Technology at KCA University (graduating 2026). Completed a four-month industrial attachment with the National Housing Corporation ICT Department, acquiring practical experience in technical support, desktop administration, network configuration, and information security. Committed to delivering reliable IT operations and supporting organisational efficiency through disciplined, detail-oriented work.

WORK EXPERIENCE

IT Support Intern

January 2026 – April 2026

National Housing Corporation – ICT Department

- Provided technical support for computers, printers, and network systems across multiple departments.
- Installed, configured, and maintained desktop systems and applications; performed OS installations and data recovery.
- Diagnosed and resolved hardware and software faults, reducing equipment downtime.
- Configured desktops and connected peripherals over a LAN, including IP addressing and network printing.
- Conducted scheduled preventive maintenance on hardware and repaired faulty office equipment.
- Assisted in the implementation of ISO 27001:2013 (ISMS) information security controls.
- Managed digital document scanning, filing, and data entry; maintained accurate records.
- Recognised informally for diligence, initiative, and a strong professional work ethic.
